PRESIDENT, CITY MUNICIPAL COMMISSION, MYSORE.

To

L. Ananthanarayana Rao Esq., B.A.

SECRETARY TO THE GOVT. OF MYSORE, in the REV. & GEN. DEPTS.

Sir,

The services of the Public Works Department Supervisor Mr. Balakrishna Rao were requisitioned to carry out certain Municipal works in addition to his legitimate duties and this was in connection with the Installation of His Highness the Maharaja and the Viceregal visit to Mysore on that occasion. The request was sanctioned by the Secretary to the Government in the Public works Department. As Mr. Balakrishna Rao's

duty in the Municipality necessitates constant and rapid travelling in the several parts of the City, he requests that in addition to his pay and allowances paid by the Public Works Department, he might be given an allowance of Rs 75 per month from the Municipality and the Vice President on his application made the following recommendation on the 12th July 1902

I beg that Mr. Balakrishna Rao be given the special allowance he asks, as he has to supervise the constructive details of pandals and arches all over the town. He may be given at least Rs 60 per month.

On this the Hon President Mr. H. Ramanuja Iyengar on the 20th July 1902 passes the

the following order. "I agree in the Vice-Presidents proposal. A preference to Government seems necessary" A letter to Government was drafted and sent to the then President on the 22nd July 1902. It was not passed by the President but was returned without any reason being recorded thereon. When it was again sent to the subsequent President Mr Kanthar-aj Urs who passed the following order on the 13th April 1903. "This has been sent up too late. As the Supervisor is now on leave and is about to be retired, this preference seems unnecessary". Mr Balakrishna Rao has again urged this matter and I therefore report the case for the orders of Government as he seems to be entitled to some reward for the extra work done by him.

To

H. E the Dewan of Mysore

Bangalore

May it please your excellency,

I, N. Balakrishna Rao beg to lay my grievances before your excellency in the hope of finding justice.

When I was a supervisor working in the Sanitary Circle, my services were in part lent to the Municipality of Mysore on the occasion of the Viceregal visit in August 1902.

I applied to the Vice President of the Municipality to grant me a special allowance to enable me to maintain a carriage to supervise the additional duties thus cast on me, and he was kind enough to recommend that I should be given a monthly allowance of Rupees sixty for the

purpose, and this received the sanction of Mr. H Ramanuja Iyengar the then President I accordingly maintained a carriage for the more efficient execution of my duties

But this allowance was not paid to me, and after Mr. M Kantaraj Urs succeeded as President I was compelled to petition to the Vice President for payment of the amount due for July and August 1902 at Rs 60 a month as promised A reference by the Vice President to the President elicited from the latter the astonishing answer that "as Mr. H. Ramanuja Iyengar did not move the Government to sanction the allowance now claimed the President considers that it is too late to make a reference to Government on the subject." Or in other words one responsible officer did not do what he ought to have done, and another responsible officer holds that I, an ~~honest, strug~~ (illegible) and hard-worked person should suffer

for the remissness the fact however remains that relying on the promise made to me by the Municipality I served them at considerable expense to myself; I leave it confidently to your excellency's decision whether I am not entitled to the remuneration agreed upon.

I most humbly pray that your excellency will be pleased to take my case into favourable consideration and issue the necessary orders to the Mysore Municipal Board.
